

| | | |
|----------|---|------------|
| 3 | Fundamentals of Fuze Functioning | 39 |
| | Introduction | 39 |
| | What Is a Fuze? | 39 |
| | Function as Designed | 40 |
| | Merging Philosophies and Copy-Cats | 41 |
| | Fuze Locations Explained | 42 |
| | The Seven-Step Practical Process Applied to Fuzes | 43 |
| | The Seven-Step Practical Process—Fuze | 44 |
| | Fuze Groups and Type | 45 |
| | Groups and Types | 46 |
| | Closing | 68 |
| 4 | Ordnance Category—Projectiles | 69 |
| | Introduction | 69 |
| | Delivery Systems | 70 |
| | Projectile Configurations | 70 |
| | Key Identification Features | 72 |
| | Projectile Sections and Defining Features | 72 |
| | Seven-Step Practical Process Applied to Projectiles | 81 |
| | Groups | 82 |
| | Groups | 82 |
| | Closing | 105 |
| 5 | Ordnance Category—Rockets | 107 |
| | Introduction | 107 |
| | Rocket Types | 108 |
| | Key Identification Features | 108 |
| | Rocket Sections and Defining Features | 110 |
| | The Seven-Step Practical Process Applied to Rockets | 115 |
| | Groups | 116 |
| | Groups | 116 |
| | Closing | 125 |
| 6 | Ordnance Category—Grenades: Hand, Rifle, and Projected | 127 |
| | Introduction | 127 |
| | Hand Grenades | 128 |
| | Key Identification Features for Hand Grenades | 128 |
| | The Seven-Step Practical Process Applied to Hand Grenades | 130 |
| | Groups | 131 |

Contents

| | |
|--|--------------|
| List of Figures | xiii |
| Series Editor | xxiii |
| Foreword | xxv |
| Preface | xxvii |
| Acknowledgments | xxix |
| About the Author and Technical Researcher | xxxii |
| | |
| 1 Explosives and Hazardous Compounds Used in Ordnance | 1 |
| Introduction | 1 |
| Terms and Definitions | 2 |
| Introduction to High Explosives | 2 |
| High-Explosive Performance Characteristics | 3 |
| High Explosives—Groups | 3 |
| High Explosives—Configurations and Effects | 11 |
| Introduction to Low Explosives and Propellants | 17 |
| Low Explosives and Propellants—Groups | 19 |
| Low Explosives and Propellants—Effects and Configurations | 19 |
| Forms of Propellants | 21 |
| Pyrotechnics, Incendiaries, Pyrophorics, and Smoke | |
| Producing Compounds | 21 |
| Pyrotechnic Compounds | 22 |
| Incendiary Materials | 22 |
| Pyrophoric Materials | 23 |
| Other Smoke Producing Compounds | 23 |
| Closing | 24 |
| | |
| 2 The Fundamentals of a Practical Process | 25 |
| Introduction | 25 |
| Category, Group, Type, and Size Definitions | 26 |
| Color Codes and Marking Schemes | 27 |
| Stamped Markings | 28 |
| Seven-Step Practical Process | 30 |
| Closing | 38 |

| | |
|--|------------|
| Rifle Grenades | 143 |
| Key Identification Features | 145 |
| Rifle Grenade Sections | 147 |
| The Seven-Step Practical Process Applied to Rifle Grenades | 147 |
| Groups | 148 |
| Projected Grenades | 155 |
| Key Identification Features | 155 |
| Projected Grenade Sections | 155 |
| The Seven-Step Practical Process Applied to Projected | |
| Grenades | 157 |
| Groups | 158 |
| Closing | 166 |
| 7 | |
| Ordnance Category—Guided Missiles | 167 |
| Introduction | 167 |
| Missile Types | 167 |
| Key Identification Features | 168 |
| Guided Missile Sections and Defining Features | 168 |
| The Seven-Step Practical Process and Guided Missiles | 173 |
| Groups | 174 |
| Closing | 180 |
| 8 | |
| Ordnance Categories—Aerial Bombs and | |
| Dispensers | 181 |
| Introduction: Aerial Bombs | 181 |
| Delivery Systems | 182 |
| Key Identification Features | 182 |
| Bomb Sections and Defining Features | 182 |
| The Seven-Step Practical Process Applied to Bombs | 185 |
| Groups | 186 |
| Introduction: Aerial Dispensers | 195 |
| Key Identification Features | 196 |
| The Seven-Step Practical Process Applied to Aerial Groups | 196 |
| Closing | 199 |
| 9 | |
| Ordnance Category—Submunitions | 201 |
| Introduction | 201 |
| Key Identification Features | 203 |
| The Seven-Step Practical Process Applied to Submunitions | 204 |
| Groups | 205 |
| Closing | 217 |

| | | |
|-----------|---|------------|
| 10 | Ordnance Category—Landmines | 219 |
| | Introduction | 219 |
| | Key Identification Features | 221 |
| | Landmine Sections and Defining Features | 221 |
| | The Seven-Step Practical Process Applied to Landmines | 222 |
| | Groups | 223 |
| | Closing | 233 |
| 11 | Ordnance Group—Chemical | 235 |
| | Prelude | 235 |
| | Introduction | 235 |
| | World War I | 236 |
| | From World War I to Today | 237 |
| | The Variables Associated with Successful Deployment | 237 |
| | The Agents | 237 |
| | Ordnance Categories with a Chemical Group | 239 |
| | Closing | 247 |
| 12 | Ordnance Category—Underwater Ordnance | 249 |
| | Introduction | 249 |
| | Seven-Step Practical Process and Underwater Ordnance | 250 |
| | Groups | 251 |
| | Closing | 265 |
| 13 | Historical Ordnance from all Applicable Categories | 267 |
| | Introduction | 267 |
| | Explosives | 268 |
| | Seven-Step Practical Process and Historical Ordnance | 269 |
| | Categories | 270 |
| | Projectiles | 270 |
| | Definitions | 271 |
| | Groups | 273 |
| | Rockets | 279 |
| | Groups | 280 |
| | Hand Grenades | 281 |
| | Groups | 281 |
| | Landmines | 284 |
| | Underwater Mines | 285 |

| | |
|---|------------|
| Contents | xi |
| Torpedoes | 286 |
| Fuzing | 287 |
| Closing | 293 |
| 14 Closing | 295 |
| Appendix A: Logic Trees | 301 |
| Appendix B: U.S. Ordnance-Related Abbreviations, Markings, and Symbols | 311 |
| Appendix C: Functional Definitions for Ordnance-Related Terms | 315 |
| Appendix D: Explosives with U.S. and Russian Reference Charts | 323 |
| Appendix E: U.S. and Russian Ordnance Marking Schemes | 333 |
| Appendix F: Bibliography | 339 |
| Appendix G: Black Powder, Smooth Bore Projectile Diameters and Weights | 343 |
| Index | 345 |
